### **III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Cheminde la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: [www.fei.org](http://www.fei.org).

**Opening Ceremony – Wrocław, 15.08.2017**

FEI European Eventing Championships – Strzegom 2017 OC had pleasure to invite all teams for the Opening Ceremony in Wrocław Centennial Hall on 15th of August.

Wrocław Centennial Hall with the largest fountain in Poland and one of the largest in Europe is a unique venue on the map of Poland, where history harmoniously interacts with modernity. Centennial Hall complex is one of the most desired venues among domestic and foreign organizers of major exhibitions, conferences, cultural, sport and congress events. The Hall's inscription on UNESCO World Heritage List in 2006 emphasized the rank of this facility. More about it you can see on <http://halastulecia.pl/en/>

We are planning Opening Ceremony with a team's presentation in Wrocław Centennial Hall complex. The presentation will be finished by a spectacular multimedia show on the fountain. Water show is synchronized with music, which creates amazing artistic impression. After show we invite all teams for a Welcome Drink to the Centennial Hall.

This will take place on 15th of August /Tuesday/. This is a bank holiday in Poland. Usually on Sunday and on bank holidays the fountain multimedia show collects 8000-10000 spectators. We will see this like a big promotional event and big chance to present our discipline in a great scenario in front of thousands in very modern and sublime atmosphere .

In connection with the solemn and official nature of the event we are asking all Athletes to be present.

The Opening Ceremony will start at 8.45 pm and will finish about 10.00 pm.

## 3. STEWARDING (Only for Jumping test of the Eventing competition, as per FEI Jumping rules)

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Championships, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and re-place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1)
