III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

XIV. ADDITIONAL INFORMATION

1. THE FEI POLICY FOR ENHANCED COMPETITION SAFETY DURING THE COVID-19 PANDEMIC

The FEI Policy for Enhanced Competition Safety during the Covid-19 Pandemic ("Policy") (<https://inside.fei.org/system/files/FEI%20Policy%20for%20Enhanced%20Competition%20Safety%20during%20the%20Covid-19%20Pandemic%20-%20Effective%201%20July%202020%20-%20Updated%2012%20October%202020.pdf>) is mandatory and applies for any FEI Event taking place **as of 1 July 2020**. The Policy has been developed based on currently accepted best practices by the WHO and US Center for Disease Control (CDC) and will be continually reviewed and updated as more information becomes available. It is not intended to replace the applicable guidance and policies from domestic government and health authorities, but to supplement their recommendations with sport specific considerations.

The OC shall submit the risk assessment and mitigation plan (including name and contact details of the person in charge) to the FEI as an annex to the Event Schedule, **at the latest ten (10) working days before the event's deadline for Definite Entries**.

Events for which the FEI has not received the documented risk assessment and mitigation measures plan in accordance with article 2.1.g) of the Policy **will be removed from the FEI calendar** in accordance with Article 112.3 of the FEI General Regulations.

ASSUMPTION OF RISK / WAIVER OF LIABILITY

In consideration of being allowed to participate in the Event and related activities, all Participants (as defined in the Policy) acknowledge, appreciate, and agree that:

1. Participation includes possible exposure to and illness from infectious diseases including but not limited to COVID-19. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist; and,
2. The Participants knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of the OC or others, and assume full responsibility for their participation; and,
3. The Participants willingly agree to comply with the stated and customary terms and conditions for participation as regards protection against infectious diseases. If, however, a Participant observes any unusual or significant hazard during his/her presence or participation, the Participant will remove himself/herself from participation and bring such to the attention of the nearest official immediately; and,
4. The Participants, for themselves and on behalf of their heirs, assigns, personal

representatives and next of kin, HEREBY RELEASE AND HOLD HARMLESS THE OC AND THE FEI, their officers, officials, agents, and/or employees, other participants, sponsoring agencies, sponsors, advertisers, and if applicable, owners and lessors of premises used to conduct the event ("RELEASEES"), WITH RESPECT TO ANY AND ALL ILLNESS, DISABILITY, DEATH, or loss or damage to person or property, WHETHER ARISING FROM THE NEGLIGENCE OF RELEASEES OR OTHERWISE, to the fullest extent permitted by law.

The Participants confirm to have read this release of liability and assumption of risk agreement, fully understand its terms, understand that they have given up substantial rights.

2. INSURANCES AND NATIONAL REQUIREMENTS

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

2.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

2.1.1. Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

2.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

2.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. Members of the Press are advised not to leave any equipment or personal items unattended.

2.2. ATHLETES AND OWNERS

2.2.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

2.2.2. Additional Liability Information

2.2.3. Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

3. PROTESTS/APPEALS

To be valid, all Protests and Appeals must be made in writing and accompanied by a deposit of CHF 150.- or equivalent, as mentioned in the FEI General Regulations (Art. 161-162) available at the following link:

<https://inside.fei.org/content/general-regs-statutes>

4. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

5. STEWARDING

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.

- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

6. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

7. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 12 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

ATTENTION: All prizes above 2000 PLN are subject to Polish income tax – 10 %. The amount of prize money for one Athlete above 3.000 PLN will be transferred into the account of the riders up to 7 days after the last day of the show. We will ask all the riders during check in at the show office at the day of arrival, to fill in the document with their bank account details (Name of the Bank, Account Holder, Account Number, Iban Number, Swift Code). Please make sure that you have all the bank account details with you and you fill in everything correctly! If the document will not be completed correctly it will be impossible to transfer the money!

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)

10. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the Competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated for the original Competition for each group. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;

OR

The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been

allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the FEI World Cup™ Competition. For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.
